## **NOTICE TO GLOBAL EXCEL**

In the event of a *sickness* and/or *injury* likely to give rise to an *emergency*, the *insured person* must give immediate notice to *Global Excel*. Failure to do so may limit the benefits payable under the Policy. If the *insured person* incurs any expenses without prior approval by *Global Excel*, such expenses will be covered except where the Policy expressly requires the prior approval or authorization of *Global Excel*, on the basis of *reasonable and customary costs* that would have been payable for such expenses by the *insurer* in accordance with the terms and conditions of the Policy. Such expenses may be higher than this amount, therefore the *insured person* will be responsible for paying any difference between the amount the *insured person* incurred and the *reasonable and customary costs* reimbursed by the *insurer*.

## **TRANSFER OR MEDICAL REPATRIATION**

During an *emergency* (whether prior to admission or during a covered hospitalization), the *insurer* reserves the right to:

- a) transfer the *insured person* to one of *Global Excel's* preferred health care providers, and/or
- b) return the *insured person* to his province or territory of residence

for the medical treatment of a *sickness* and/or *injury* where this poses no danger to the life or health of the *insured person*. If the *insured person* chooses to decline the transfer or return when declared medically stable by the Medical Director of *Global Excel*, the *insurer* will be released from any liability for expenses incurred for such *sickness* and/or *injury* after the proposed date of transfer or return. *Global Excel* will make every provision for the medical condition of the *insured person* when choosing and arranging the mode of the transfer or return and, in the case of a transfer, when choosing the *hospital*.

## **LIMITATION OF BENEFITS**

Once the *insured person* is deemed medically stable to return to Canada (with or without medical escort) either in the opinion of the Medical Director of *Global Excel* or by virtue of discharge from a medical facility, the *emergency* will be deemed to have ended, whereupon any further consultation, treatment, recurrence or complication related to the *emergency* will no longer be eligible for coverage under this policy.

## **MISREPRESENTATION AND NON-DISCLOSURE**

The entire coverage under this policy shall be voidable if the *insurer* determines, whether before or after loss, that the *policyholder* or the *insured person* has concealed, misrepresented or failed to disclose any material fact or circumstance concerning this policy or his interest therein, or if the *policyholder* or the *insured person* refuses to disclose information or to permit the use of such information, pertaining to any of the *insured persons* under this policy. Consequently and following a loss, no claim shall be payable by the *insurer* and the *insured person* shall be solely responsible for all expenses relating to his claim, including medical repatriation costs.

## **SUBROGATION**

If an *insured person* suffers a loss covered under this policy, the *insurer* is granted the right from the *insured person* to take action to enforce all the *insured person's* rights, powers, privileges, and remedies, to the extent of benefits paid under this policy, against any person, legal person or entity which caused such loss. Additionally, if "no fault" benefits or other collateral sources of payment of medical expenses are available to the *insured person*, regardless of fault, the *insurer* is granted the right to make demand for, and recover, those benefits. If the *insurer* institutes an action it may do so at its own expense, in the name of the *insured person*, and the *insured person* will attend at the place of loss to assist in the action, in addition to providing the *insurer* all information, cooperation and assistance as the *insurer* may reasonably require. If the *insured person* institutes a demand or action for a covered loss, the *insured person* shall immediately notify the *insurer* so that the *insurer* may safeguard its rights. The *insured person* shall take no action after a loss that will impair the rights of the *insurer* set forth in this paragraph and shall do all such things as are necessary to secure such rights.

## **ARBITRATION**

Notwithstanding any clause in this policy, the parties hereto undertake to submit to an arbitration procedure, to the exclusion of the courts, any present or future dispute relating to a claim. The arbitration proceedings shall be governed by the arbitration

law in force in the Canadian province or territory of residence of the *participant*. The parties agree that any action will be referred to arbitration.

## **OTHER INSURANCE**

This insurance is a second payer plan. For any loss or damage insured by, or for any claim payable under any other liability, group or individual basic or extended health insurance plan, or contracts including any private or provincial or territorial auto insurance plan providing *hospital*, medical, or therapeutic coverage, or any other insurance in force concurrently herewith, amounts payable hereunder are limited to those covered benefits incurred outside the province of residence that are in excess of the amounts for which an *insured person* is insured under such other coverage. All coordination with employee related plans follows Canadian Life and Health Insurance Association Inc. guidelines. In no case will the *insurer* seek to recover against employment related plans if the lifetime maximum for all in-country and out-of-country benefits is \$50,000 or less. If the lifetime maximum for all in-country and out-of-country benefits is over \$50,000, the *insurer* will coordinate benefits only above this amount.

## **CO-ORDINATION AND ORDER OF BENEFITS**

If a person has coverage under another plan that does not provide for co-ordination of benefits, that plan will be considered primary carrier and will be responsible for making the initial payment. If the other plan does provide for co-ordination of benefits, the order of benefit will be as follows:

### ***Participant and dependent spouse***

The plan insuring the *participant* or the *participant's* dependent *spouse* as an employee/member pays benefits before the plan insuring the *participant* or the *participant's* *spouse* as a *dependent*.

### ***Dependent Child***

If the dependent child is insured as a *dependent* under the *participant's* and the *spouse's* plans, benefits will first be payable under the plan of the parent whose birthday comes first in the calendar year. The balance of eligible expenses can then be submitted to the plan of the other parent.

If both parents have the same birthday (month/day), the claims for children must be submitted to the plan in the alphabetical order of the parents' first names.

When a person is insured under other group or individual policies or government plans, the benefits payable from all sources cannot exceed one hundred percent of expenses incurred.

## **WHEN MONEY PAYABLE**

All money payable under this policy shall be paid by the *insurer* within sixty (60) days after it has received due proof of claim.

## **OVERPAYMENT OF BENEFITS**

Nothing in this policy will prevent the *insurer* from recovering from the person or organization to which such payment has been made any overpayment of benefit, irrespective of the cause of such overpayment.

## **RIGHTS OF EXAMINATION**

To be entitled to payment of benefits provided under this policy, the *participant*, on his own behalf and on behalf of his *dependents* hereby authorizes any *physician*, health professional, *hospital*, institution and any other organization to forward to the *insurer* or its representatives, all information, reports or documents that they may require.

The *participant* hereby authorizes the *insurer* to communicate directly with any *physician*, health professional, *hospital*, institution or other organization to obtain any information required for the assessment of claims and hereby relieves the persons concerned of all legal responsibility which could arise from the disclosure of such information.

In the event of death, the *insurer* will require that a death certificate be filed with the claim. Furthermore, the *insurer* has the right to request an autopsy and review any autopsy report, if not prohibited by law.

## **LIMITATION OF ACTIONS**

An action or proceeding against the *insurer* for the recovery of a claim under this policy shall not be commenced more than one (1) year (two (2) years in the Northwest Territories, three (3) years in the province of Quebec) after the date the insurance money became payable or would have become payable if it had been a valid claim.

## **AVAILABILITY OF CARE**

Neither the *insurer* nor *Global Excel* shall be responsible for the availability or quality of any medical treatment (including the results thereof) or transportation at the vacation destination, or the failure of the *insured person* to obtain medical treatment during the *coverage period*.

## **CONTINUANCE OF INDIVIDUAL COVERAGE DURING ABSENCE FROM WORK**

If a *participant* is absent from work due to disability, temporary lay-off, authorized leave of absence, strike or any other work stoppage, the insurance will be continued as long as the *participant* remains covered under the *policyholder's* basic group extended health care plan.

## **REINSTATEMENT OF A PARTICIPANT'S INSURANCE**

Any *participant* who ceased to be insured because of termination of employment and who resumes employment with the *policyholder* will become covered under this policy upon reinstatement of the coverage under the *policyholder's* basic group extended health care plan.

## AUTOMATIC EXTENSION OF COVERAGE PERIOD

The *coverage period per trip* will automatically be extended up to 72 hours provided the *participant* has not reached the *termination age* if:

- a) an *insured person* is hospitalized due to a medical *emergency* on the last day of coverage. The coverage of the *insured person* will remain in force for as long as the *insured person* is hospitalized and the 72-hour extension commences upon release from *hospital*;
- b) a late train, boat, bus, plane, or other *vehicle* in which an *insured person* is a passenger causes the *insured person* to miss his scheduled return to his province or territory of residence (including by reason of weather);
- c) the private automobile in which the *insured person* is travelling is involved in a traffic *accident* or mechanical breakdown that prevents the *insured person* from returning to his province or territory of residence on or before his return date;
- d) the *insured person* must delay his scheduled return to his province or territory of residence due to a medical *emergency*.

All claims incurred after the original scheduled return date must be supported by documented proof of the event resulting in the delayed return.

**Emergency Call Centre** — No matter where the *insured person* travels, professional assistance personnel is ready to take his call. *Global Excel* can also provide the *insured person* with Canada Direct instructions and codes so that he only deals with Canadian telephone operators.

**Referrals** — *Global Excel* can refer the *insured person* to the preferred medical providers (*hospitals, clinics and physicians*) that are closest to where the *insured person* is staying. **Benefit Information** — Explanation of this policy is available to the *insured person* and to the medical providers who are treating the *insured person*.

**Medical Consultants** — *Global Excel's* team of medical professionals, available 24 hours a day, will monitor the services given in the event of a serious *emergency*. If necessary, *Global Excel* will help the *insured person* return to Canada for the care required.

**Urgent Message Relay** — In the event of a medical *emergency*, *Global Excel* will contact the *insured person's* travelling companion to keep him advised of the *insured person's* medical situation and will help the *insured person* exchange important messages with his family.

**Interpretation Service** — *Global Excel* can connect the *insured person* to a foreign language interpreter when required for *emergency* services in foreign countries.

**Direct Billing** — Whenever possible, *Global Excel* will instruct the *hospital* or clinic to bill the *insurer* directly.

**Claims Information** — *Global Excel* will answer any questions an *insured person* has about the eligibility of his claim, standard verification procedures and the way that the benefits under this policy are administered.

*Global Excel* must be contacted before the *insured person* seeks medical treatment. If the *insured person's* condition renders him unable to do so, then someone else must contact *Global Excel* immediately on the *insured person's* behalf. It is the *insured person's* responsibility to ensure that *Global Excel* has been contacted prior to receiving medical treatment or as soon as reasonably possible.

*Global Excel* can be reached at the emergency telephone numbers listed on the back of the *medical assistance card* provided to the *participant*.

### NOTICE AND PROOF OF CLAIM

In the event that *Global Excel* is not contacted immediately, the *insured person*, or a beneficiary entitled to make a claim, or the agent of any of them, shall:

- a) give written notice of claim by delivery thereof or by sending it by registered mail to *Global Excel* not later than thirty (30) days from the date the claim arises under this policy;
- b) within ninety (90) days from the date a claim arises under this policy, furnish *Global Excel* such proof of claim as is reasonably possible in the circumstances of the *emergency* giving rise to the claim and the loss occasioned thereby, the right of the claimant to receive payment, his age and the age of the beneficiary, if relevant; and
- c) if required by *Global Excel*, provide a satisfactory certificate stating the cause for which the claim is made and the duration of the disability, if applicable.

### FAILURE TO GIVE NOTICE OR PROOF

Failure to give notice of claim or furnish proof of claim within the prescribed period above does not invalidate the claim if the notice or proof is given or furnished as soon as is reasonably possible, and in no event later than one (1) year from the date of *injury* or the date a claim arises under the policy on account of *sickness* if it is shown that it was not reasonably possible to give notice or furnish proof within the time so prescribed.

### INSURER TO FURNISH FORMS FOR PROOF OF CLAIM

*Global Excel*, on behalf of the *insurer*, shall furnish forms for proof of claim within fifteen (15) days after receiving notice of claim, but where the claimant has not received the forms within that time he may submit his proof of claim in the form of a written statement of the cause or nature of the *emergency* giving rise to the claim.
