**MASU VICE PRESIDENT ELECTED VICE-CHAIR OF NEW BRUNSWICK STUDENT ALLIANCE**

SACKVILLE, NB — On Saturday, April 30, 2016, former Vice-President of Communications, Tina Oh, was named Vice-Chair of the New Brunswick Student Alliance (NBSA). Oh was elected Vice-President External Affairs in the Mount Allison Students' Union's (MASU) winter elections, effective May 1, 2016.

Oh will be working alongside the new executive director of the NBSA and Mount Allison alumnus, Rob Burroughs: "We are delighted that the MASU has yet again taken a leadership role within the NBSA. Tina has already established herself as a vital component of our executive team and I look forward to working under her direction."

"I am looking forward to work with the NBSA Board and Executive Director to ensure that students are at the forefront of all major policy decisions that affect their quality of life," says Oh. "I have utmost confidence that direct representation on NBSA will increase accountability and will showcase the extent of our dedication to our members."

"After working with Tina over the last 2 years, I have full confidence in her ability in this role. We've seen her abilities on our campus, and I am excited to see what she can do on a provincial scale," says MASU President, Ryan LeBreton.

"We are heading into an exhaustive year ahead for New Brunswick students – with the unveiling of the Tuition Access Bursary (TAB) program, upcoming university and faculty collective-bargaining, and differential tuition that was stated by the provincial budget," says Oh. "It is going to be an incredibly busy, but fulfilling year for the NBSA. I am excited to represent the [12,000+] students affected by the lobbying we do."

The MASU has been a proud member of the NBSA since 1992. The NBSA is the largest student organization in the province, representing over 12,000 post-secondary students.

The Mount Allison Students' Union represents all full- and part-time undergraduate and graduate students at Mount Allison University in Sackville, New Brunswick.
